

ENVIRONMENTAL POLICY STATEMENT

This Statement will be displayed prominently at the Company's Head Office and all sites.

Hughes and Salvidge Limited recognises the importance of sustainability in protecting and preserving the environment through professional demolition and associated services.

Hughes and Salvidge will ensure:

The Company holds certification to ISO 14001 – 2015. Environmental Policy is promoted and controlled through an environmental Management System (EMS) and our "Green Hands" initiative.

Environmental procedures set out in the EMS are documented, implemented and maintained by the Company's employees and advisers who have received appropriate training.

The EMS also includes objectives to monitor and improve the environmental impacts of our activities and energy efficiency.

Hughes and Salvidge are committed to continual environmental improvement and the prevention of pollution.

This includes complying with all applicable legal and other environmental requirements in connection with the promotion of sustainability through the services provided.

This statement will be reviewed on a regular basis or more frequently in response to specific events or a change in regulations or good industry practice.

As Managing Director of the Company, I have ultimate authority and responsibility for the continued effectiveness of the (EMS), this statement represents my commitment to ensure that it is an integral component of all aspects of our business.
